of Pediatrics

Meeting the Moment: Bringing Leadership and Solutions

There is a strong need and desire for pediatrician leadership in our institutions and communities and at the state and national levels.

Learn how the AAP and its pediatricians are rising to the occasion to meet the challenges we face as a country and address the pressing needs of children and families.

AGENDA:

8 AM: Grand Rounds: Meeting the Moment - Bringing Leadership & Solution
- Lee Savio Beers, MD, FAAP, President, American Academy of Pediatrics

9 AM: Nebraska Chapter AAP Update

9:15 AM: Learning from the Death of a Child – How can we decrease the chances of it happening to another - Howard Needelman, MD, FAAP
This session will review child death reporting & examination in Nebraska.

9:45 AM: Break

10:00 AM: Hot Off the Press - New Neonatal Fever Guidelines - Alice Sato, MD, PhD, FAAP
In August 2021, the AAP published new guidelines on the work up and management of the well appearing febrile infant age 8 - 60 days old. We will review the science behind the guidelines, and discuss practice change.

11:00 AM: Screening & Treatment of Developmental Dysplasia of the Hip
- Maegan Wallace, MD, FAAP

A review the AAP guidelines for screening for Developmental Dysplasia of the Hip, as well as, when to obtain imaging, when to refer to a specialist and typical treatment of DDH based on the age of the patient at presentation.

11:30 AM Subspecialty Update: Pediatric Emergency Medicine - Zeb Timmons, MD, FAAP
This session will review significant changes in standard pediatric emergency medicine practice that have occurred over recent years. The talk will cover a series of brief but important updates to the diagnosis and management of pediatric emergencies.

12:15 PM: Lunch

12:45 PM: Sacral Dimples and What Lies Beneath - Overview of Spinal Cord Tethering
- Linden Fornoff, MD, FAAP

A review of sacral dimples, their commonality, worrisome features, symptoms, and work-up to rule out or in tethered spinal cord. Imaging and case examples will be provided.

1:30 PM: Break

1:45 PM: It Ain't Easy Being Wheezy: A Review of the 2020 and 2021 NIH Asthma Guidelines for Pediatric Providers - Nancy Hong, MD, FAAP

2:15 PM: Nebraska's Crisis Standards of Care for Pediatrics
- Melissa St. Germain, MD, FAAP & Sheilah Snyder, MD, FAAP
